

My name is Terri Gosnell. You will see me at the front office as the school administrative assistant. I have been with St. Teresa of Avila for 3 years and love every moment. I love welcoming all the beautiful families and staff every day.

Along with my husband and two daughters we have two rabbits, two cats, a horse, and a dog. I love spending time with my family at the lake in the summer and skiing in the winter.

Please stop by the office for a high five!
