

*Hi, I'm Vickie Fox.*

*I've been the School Librarian at St. Teresa of Avila since 2016 and I LOVE IT! I am so blessed to witness and participate in your child(ren)'s growth and seeing them develop a love for reading of all types of literature.*

*Along with my husband and two sons, we live on a farm East of Red Deer where we house all past chicks and ducklings that are hatched in our Learning Commons as well as three dogs and numerous cats.*

*Please stop in any time to say hello.*
