

My name is Christina McInenly and I have the privilege of being an Inclusion Lead Teacher here at St. Teresa. In this role, I have the opportunity to be a co-teacher in various classrooms, supporting our students and staff through differentiation and ensuring supports are in place for our students that we are blessed to have here. I have been with Red Deer Catholic for 9 years, 8 of them here at St. Teresa. In my time here I taught Grade 4, been one of our counsellors and now working as a member of our LIFT team.

Outside of St. Teresa, I enjoy connecting with numerous family members & friends and participating in outdoor activities such as fishing, camping, golfing and biking. My husband Dave and I live right here in Red Deer and we are grateful for everything this community offers.
