

My name is Mrs. Renee Bowers. I have had the pleasure of being at St. Teresa for 19 years. I have been fortunate enough to teach in a variety of capacities extending from grade 1 to grade 6. Currently, I teach grade 5. I feel very blessed to do what I love each and every day.

I have been married for 19 years to my husband, Chris. We have two beautiful kids named Reese and Tate. When we are not working, we enjoy our kids sports, ringette and hockey. We also love to travel and enjoy spending quality time together as a family. We have our furry labradoodle named Molly, who keeps us busy as well.
