

My name is Matthew Monks. I have been teaching for 4 years; two years abroad in London and two years in Red Deer Catholic. I am currently teaching Grade 5 here at St. Teresa of Avila. I am very blessed to be teaching here and I thoroughly enjoy coming to work each and every day. Teaching is one of the most important careers and I am happy to be able to say I am teaching your kiddos.

My wife, Makayla and I live here in Red Deer. We are happy to be settling down after travelling and living abroad over the past two years. It was truly an amazing experience but it was time to come home. We enjoy travelling and being outdoors; doing things like snowboarding when we have free time.

My door is always open so pop down for a fist bump or a high five! Here is to an excellent year at St. Teresa of Avila School!!
