

Hi there! My name is Kaitlyn Dobson. I teach Grade 1 and have been teaching at St.Teresa for 2 years. I love the sense of community within the school. I have been with Red Deer Catholic Schools for 5 years. Before moving to St.Teresa, I taught LIFT and Grade 2 at Holy Family School. I love getting to teach your little ones so many fun things in Grade 1 and aspire to make learning fun and enjoyable for each student.

I was born and raised in Ontario. I took my BEd degree through Nipissing University and soon after graduating, packed up my things and moved to Alberta! I have never looked back and love living here in the west.

When I'm not working, I enjoy getting together with friends, reading, taking trips to the mountains and playing with my cat Oliver.

I am truly blessed to teach your kiddos and love getting to spend each day watching them grow in their learning. Feel free to pop by for a visit or even just to say hello! :)
