

All About Mrs Schmucker

My name is Lauren Schmucker, and this is my 8th year teaching at St Teresa. I absolutely love teaching grade 4 and have found joy in discovering the unique gifts and talents that each group of grade 4s has presented to me. I feel very blessed to work at this school and that I get to spend so much time with these amazing kids!

In 2018 I was married to my husband Cory. We have two goldendoodles named Tucker and Tango who keep us busy with lots of walks, runs, and cuddles :) In our spare time we enjoy golfing, hiking, and spending time with family and friends.
