

Hello St. Teresa! My name is Elyse Lowe and this is my fourth year being a pre-k teacher, and fifth year of teaching! This is my first year at St. Teresa and I am very excited for all of the fun I know it is going to bring!

I live in Red Deer with my husband and our dog Gretel, but was born and raised in Lacombe. When I am not teaching my favourite place to be is outside, and anywhere with a backpack on my back. I have a passion for traveling the world, seeing new places, and meeting new people. In my down time you can catch me reading a good book, or doodling away.

I am looking forward to getting to know everyone and becoming a part of the St. Teresa community!
